Dear church fam,

What a great Easter Sunday we had! I just want to say thank you for reaching out to so many people. We had a full house. We had great services and it happened as a result of the faithfulness of our members serving in the background! Our staff worked really hard in preparation to make last Sunday special and we thank the Lord for each of them. While we praise God for those who joined us, we must not forget the majority of folks in Marion County who have not made a profession of faith in the Lord. If the latest research is close to being accurate, most Mississippians and most Americans did not attend an Easter service this year. God has called us to go out onto the highways and byways; to invite everyone to taste the living water! We must seek to personally find people who are interested in the Lord and seek to help them grow into lifetime disciples of Jesus. We must decide if we are going to be a church full of programs for the saved or a rescue station for the lost. We can't do both really well. We must decide who we are going to be. Let's call out the called, cultivate obedience, and commission the sent.

In an effort to help those who may not know how to follow Jesus, I am beginning a new series this Sunday titled, "How to Follow Jesus". The next few Sundays will be excellent Sundays to bring people who may have never been taught the basics of our faith. It will also help our members who are new in their walk with the Lord. We will return to the Minor Prophets later in April. It's an honor to serve alongside each of you. Let's go to all the world for Jesus' sake, where bodies hurt and sad hearts ache. Let's lift high the Cross and keep proclaiming his love to a lost world. Jesus saves!
